**INTERNATIONAL CONFERENCE ON
AUTOMATION & ROBOTICS**
Proposed during ACMEE 2025.

Dear Sir / Madam,

Sub: ARTECH 2025 - International Exhibition & Conference on Automation & Robotics Technology . A Concurrent Show with ACMEE 2025. (New Hall H-CTC)

The Ambattur Industrial Estate Manufacturers' Association's flagship exhibition ACMEE 2025 will be held from 19-23 June, 2025 at Chennai Trade Centre, Chennai. As India's Premier International Machine Tools Show, ACMEE 2025, has been receiving an encouraging response from the industry both from India and overseas.

The world of manufacturing is undergoing rapid technological changes with the advent of Automation and Robotics. Deploying these technologies will improve the productivity of manufacturing industries by several notches. **ARTECH 2025**, a Concurrent Show with ACMEE 2025 is being organized to showcase advanced technologies related to Automation and Robotics.

ARTECH 2025 takes this opportunity to invite you to participate under this special pavilion which will draw great attention to the visitors of the show. The manufacturing fraternity is eagerly waiting for **ARTECH 2025** to reconnect with the machine tool industry. The special pavilion will draw an encouraging response from manufacturing industries.

Needless to mention, **ARTECH 2025** will facilitate the exchange of technological know-how, product presentations and a great networking opportunity to connect with senior decision makers from the industry. Space booking for **ARTECH 2025** Pavilion (HALL H) is now open to exhibitors and allocation will be subject to availability of space on a first come first serve basis.

Best Regards,
Chairman
